Step 3: Click on Start Test

The screenshot shows a web browser window with the address bar displaying "uims.cuchd.in/UIMS/frmMockTest.aspx". The page header features the Chandigarh University logo and the text "CHANDIGARH UNIVERSITY Discover. Learn. Empower.". Below the header, there is a section with a clock icon and "Time Limit: 60" on the left, and a target icon with "Max. Marks: 48" on the right. In the center, it says "Mock Test-Aptitude" and a blue button labeled "START TEST" is visible.

Step 4: Tick the option "I have read the instructions" and then click on "Continue" to start the Test. The Test will start after you click "OK"

This screenshot shows the same web browser window as the previous one, but the "START TEST" button is no longer visible. Instead, there is a checkbox labeled "I have read the instructions carefully." which is now checked. Below this checkbox is a red button labeled "CONTINUE". The "Time Limit: 60" and "Max. Marks: 48" information remains the same.

Step 5: The test window will look like as shown below. The navigation to the next question can be done by clicking on the Question Numbers given below the Clear Solution Window:

Note: Your test will be considered as **COMPLETE** only when the entire duration of the test is over. Only then you will be able to view the Solutions.
